**Subject:** Fort Bliss Stabilized Tank Trail (UNCLASSIFIED)

Classification: UNCLASSIFIED

Caveats: NONE

Bob, I appreciate all the correspondence you have sent over the past weeks. The Corps, installation and the Army as a whole are happy with the end results of the tank trails to completed to date. They will serve Fort Bliss well for years to come.

Again, I want to emphasize our satisfaction with the trails completed to date, and appreciate you and your company's involvement throughout the design process.

Mark L. Black, P.E.
